REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The feature of the battery charging circuit coupled to the ac link and the battery source, wherein the charging circuit converts ac power on the ac link to dc power to charge the battery source in a charging mode when the turbine engine is not generating mechanical power, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
